

Online Training for a More Profitable Business. More than **500 high-quality courses!**
Designed for Manufacturers, Validated by Industry Experts.

IMC has partnered with Tooling U-SME, an online training provider, to bring high-quality, customized, online training to Central PA manufacturers. This training platform:

- Offers a ***quick-start, progressive road map*** that allows manufacturers to build career paths for employees.
- Is intended to ***enhance your existing on-the-job training***, to create a job progression plan ***requiring minimal preparation.***
- Offers ***training that is self-paced; easily and conveniently accessible*** on desktops and laptops, and on tablets and phones with the Tooling U-SME app.
- ***Improves skills and knowledge results in improved operations and profitability!***
