

Choosing the Right CMMC Strategy for Your Business Size, Contracts, and Risk Tolerance

written by Lauri Moon | February 3, 2026

With multiple compliance paths available, selecting the right CMMC strategy is a business decision as much as a technical one. This capstone session will help contractors evaluate different approaches based on company size, contract requirements, available resources, and risk tolerance. Participants will leave better equipped to choose a compliance path that fits their organization long-term.
