

CMMC Level 1 Explained

written by Lauri Moon | January 9, 2023

CMMC Level 1 will be required by the majority of companies in the defense industrial base (DIB). For companies needing higher CMMC Levels (2 or 3), Level 1 is the place to start.

This session will help you learn the following:

- What requirements need to be met for Level 1?
- What data and information needs to be protected?
- What type of assessment will be required for Level 1?
- How does Level 1 relate to current requirements for a Supplier Performance Risk System (SPRS) score?
- When will CMMC Level 1 be required by the DoD?

Join IMC and our third-party partner Core Business Solutions for this informative hour to ensure you are on the right track toward CMMC Level 1 compliance.
