Webinar: Coronavirus Employment Law Update for Manufacturers

During the coronavirus pandemic, it seems that the rules for employers are changing every day as federal, state, and local lawmakers issue new regulations, restrictions, and reporting requirements. In this webinar, Cohen Seglias attorney Jonathan Landesman will review information that every manufacturer needs to know during this crisis, including:

- The new paid family leave law
- Unemployment compensation and workers' compensation claims
- Landmines to avoid when implementing layoffs
- Provisions in the stimulus package earmarking \$350 billion for small business loans

This webinar is designed for employers with less than 500 employees.
