

# COVID-19 Update - Keeping Employees Safe While Reducing Liability

written by Lauri Moon | January 27, 2021

It will be nearly a year since the shutdowns began and the virus is still going strong. In this last year, however, much has changed, including what you need to know. Many employees may be returning to the workplace. Many may have children returning to school. Never before have community events and behaviors had such an impact on the workplace.

In this webcast, we will discuss:

- Steps to help keep your employees safe
- Developments on applicable employment provisions
- Ways to help reduce your company's risk of a claim
- Guidance in relation to the continuing pandemic, as they have also evolved

Time will also be reserved at the end of the event for a live Q&A session.
