

From NIST 800-171 to CMMC: What You Need to Know

written by Lauri Moon | June 1, 2021

If you have contracts with the Department of Defense (DOD), you likely have questions about which regulations you're facing. During this webinar, BlackBottle IT will explain what you will need to do to not to jeopardize your DOD contracts.

Key takeaways: Learn the difference between NIST and CMMC and why you need to leverage NIST 800-171 to Achieve Cybersecurity Maturity Model Certificate (CMMC).
