

Intellectual Property for Small Business Owners

written by admin | March 2, 2016

Join the SBDC and representatives from the United States Patent and Trademark Office (USPTO) for an introduction to patents and other intellectual property (IP).

Topics to be discussed:

- IP Overview - patents, trademarks, copyright and trade secrets
- Provisional patents - what is a provisional application, fees, requirements and how to use a provisional application
- Patent Application Process - what a patent is, what is its role, the process of filing an application and resources/tools that the USPTO offers
- Searching for Prior Art - introduction as to where to search, the benefits of searching, and searching tools/strategies
- Claim Drafting - brief introduction on drafting claims for a U.S. utility application

About the Presenter:

Jeanne Clark, Patent Examination Policy Advisor at the U.S. Patent and Trademark Office, who serves as an editor for the Manual of Patent Examining Procedure (MPEP).
