

How ISO 45001 Can Help You Lead with Safety

written by Lauri Moon | November 7, 2018

Are you looking to gain executive support to implement ISO 45001 standards? Understanding how ISO 45001 will impact your business, let alone building a business case or convincing executive teams to care, can be hard. However, once implemented it has the power to supercharge your safety programs and drastically increase the safety of your workforce. Our host, Chris J. Ward, is a former HSE regulator with extensive knowledge on what regulators are looking for, how companies who adhere to ISO 45001 gain a competitive advantage, and the downfalls of failing to comply.

By listening to this webinar, you will:

- Better understand how you can improve your safety programs with ISO 45001
- Learn how to quantify the business impact of those changes, and
- Learn how to articulate the benefits of ISO 45001 to your executive team to drive organizational action.
