

Mastering ISO 9001:2026: A One-Day Auditor Readiness Workshop

written by Lauri Moon | August 19, 2026

Mastering ISO 9001:2026: A One-Day Auditor Readiness Workshop

(full-day, virtual)

This program starts in:

The future of quality management is here. With the release of ISO 9001:2026 and a three-year transition period underway, auditors who understand the new requirements first will be positioned to lead organizations confidently through change.

Join our intensive full-day workshop designed specifically for current ISO 9001 auditors. We'll break down the proposed revisions, highlight critical differences from ISO 9001:2015, explore audit implications, and provide practical guidance for transitioning your audit approach and competencies to the new standard.

Be among the first to gain the knowledge clients and organizations will soon be

seeking. Register today and stay ahead of the curve.

Start time may adjust slightly. Additional event details coming soon!

Coming January 12th - Register now for only \$389!
