

Making Safety Visual: 10 Proven Strategies for Building a Safety Culture

written by Lauri Moon | March 25, 2019

Safety professionals everywhere are looking for more effective ways to engage their employees and get them focused on safety. Attention spans are shorter than ever. Employees are stressed, distracted and more interested in checking their smartphones than listening to you. Visual communication is the “secret weapon” that can help you capture (and keep) your employees’ attention.

In this lively presentation, you’ll learn:

- Why your employees aren’t hearing you and what you can do about it.
- Why visual communication works.
- 10 proven strategies to integrate visual communication into your safety program.
