

# New Insights in Cross Border and Nearshoring Logistics Solutions

written by Lauri Moon | April 28, 2021

Join Frank Bateman, Vice President, Ryder Supply Chain Solutions, for this webinar as he discusses the new complexities supply chains are facing with end-to-end logistics. Bateman will share insights on creating a playbook for success so you are prepared for any disruption including port congestion, safety & security, and a global pandemic.

In this webinar you'll learn how to gain efficiencies through near shoring operations, challenges companies face with cross border logistics & security, and the solutions to overcome these and future supply chain disruption.

Other key takeaways include:

- Understanding how to manage border crossings more safely and securely
- Insights on speeding products to market through nearshoring and near sourcing goods
- Streamlining the flow of goods from inbound to end user and everywhere in between
