

OSHA INSPECTION! How to Handle It—and Prevent It

written by Lauri Moon | March 17, 2021

If an OSHA inspector knocks on your door to conduct a safety inspection, would you know why? Or how you could have prevented it? During this information-packed webcast you'll discover:

- How to know if you're at risk for an inspection
- What the OSHA inspector wants to know
- What to expect during the inspection
- How to help the inspection go smoothly
- What your company's rights are
- How to deal with citations
- How to prevent an inspection in the first place

Be sure to bring your questions to have them answered during a live Q&A session!
