

Partnering with Penn State University for Innovation Funding Opportunities

written by Lauri Moon | September 14, 2022

Penn State University offers many opportunities for collaboration with the business community for funding opportunities. This webinar will highlight those opportunities, presenting the first steps for businesses who are seeking out funding for innovative products to engage with the university. 

Opportunities we will discuss include:

- SBIR/STTR
- Manufacturing PA Innovation program
- Ben Franklin Technology Partners
- PennTAP
- Upcoming Events
