

Physical & Cybersecurity Seminars - Security Awareness in Today's World

written by Lauri Moon | January 15, 2014

*Security is Everyone's Responsibility * A secure business is a productive business.*

Join us for a free seminar offering two **concurrent** areas of interest: Physical Security & Cybersecurity.

What every business should know in order to protect its personnel, facility and electronic infrastructure.

Industry experts will share what you need to know to be more effective in providing a more secure environment in our respective disciplines.

To be held at the Pennsylvania College of Technology's Student & Administrative Services Center (SASC), Presentation Room.

Check-in 7:30 - 8:00 a.m. - Program 8:00 a.m. - 12:00 noon

Seating is limited register early!
