

Robotics & AI Summit

written by Lauri Moon | April 23, 2018

The Robotics & AI Summit at LiveWorx is a two-day conference for company executives, engineers and investors from around the world seeking expert advice and new partners for developing, selling, purchasing and investing in robotics, AI and machine learning technologies.

This one-of-a-kind manufacturing business summit identifies the market forces driving change and the business strategies organizations need to adopt to sustain or regain competitiveness as digital automation revolutionizes all industry sectors of manufacturing.

The Robotics & AI Summit at LiveWorks is produced by Robotics Business Review, a market leading source for “actionable business intelligence” for the global robotics, automation and artificial intelligence market.
