Webinar: Safegagement - Creating Safe Companies that Raise Engagement, Reduce Accidents & Increase the Bottom Line

written by Lauri Moon | April 30, 2018

Is your company looking to create a safer, more profitable workplace? Then we have one word for you — Safegagement $^{\text{\tiny TM}}$. Safety + Engagement = Safegagement. Engaged employees make better decisions because they care about the people they work with, the company they work for, and the overall accomplishments of the organization.

Join us on May 10 to learn more on how to engage employees in your company. We will discuss:

- Leading and lagging indicators
- Designing and implementing OSHA-compliant safety incentive programs, and
- Explore outcomes that come from creating a safe workplace through an engaged workforce.

Speaker

■ Brent Lee, National Account Manager, C.A. Short Company

Brent has worked with Human Resources Executives & Safety Directors to design, implement, and manage high-impact safety incentive programs for over a dozen years. Brent graduated from North Carolina State University, with a BS in Business Management & Finance, and is a Certified Recognition Professional (CRP) from Recognition Professionals International. In his free time, he loves exploring the great outdoors and spending time with his family.
