

Safety Culture in the Post-COVID-19 Workplace

written by Lauri Moon | July 24, 2020

As American workplaces face challenges presented by COVID-19, cultivating organizational safety culture is taking on new importance. EHS pros everywhere are faced with new hazards, new safety protocols, and new daily routines; all of it while dealing with dispersed teams, “re-entry anxiety” on the part of the workforce, and the need for new approaches to safety programs.

Join **Anna Nieman**, Director of Content at Marlin Software and **Camille Oakes, CSP**, the owner of Better Safety to learn how visual communication and employee engagement strategies can help you create a resilient safety culture and keep the employees connected, informed, invested and safe as they re-enter the workplace.
