

Sales Growth in 2017 & Beyond

written by Lauri Moon | April 11, 2017

The sales profession is changing, the economy is growing...are you? A briefing for presidents, owners and sales vice presidents who are committed to growth!

Find out why:

- Sales Forecasting - Never seems to be accurate
- New Opportunities - Never seem to be enough
- Old Opportunities - Never seem to close
- New Hires - Interview great but disappoint
- Sales Management - May not be having a positive impact

Learn what it will take to gain confidence over accurate forecasts, sales performance and revenue!

You should attend if:

- Sales performance / revenue is lagging
- You're about to hire new salespeople
- You want to accelerate growth
- You want your salesforce to hunt for new business
- You want to know how much better your existing salesforce can be

Presented by John Moore, founder of Moore Power Sales.
