

Selling Through Supply Chain Delays

written by Lauri Moon | August 13, 2021

Sandler is pleased to present its Selling Through Supply Chain Delays webinar  on Wednesday, August 25th at 2 PM ET / 11 AM PT. Join us as subject matter experts Mike Montague and Karl Schaphorst reveal the 6 steps to success when selling through supply chain delays.

Attendees will learn actionable steps on how to proactively manage the challenges with dependable solutions so you can continue to meet your quarterly expectations.

The webinar is for business leaders, sales managers, and salespeople who:

- Witness constant delays and increases in costs.
- Have a hard time meeting customer expectations.
- See a negative impact on their bottom line as a result of inventory issues.
