

State of the EHS Industry: Exploring the Results of the EHS Research Study

written by Lauri Moon | March 30, 2020

Does your organization invest in EHS or does it see it as a necessary evil? The distinction matters.

New research shows that to maintain a strong safety culture and high performing EHS program, organizations must move away from manual processes and invest in modern technology.

Join experts from KPA and EHS Today to explore the results of the EHS State of the Industry Benchmark Report. Together we'll discuss what high performing EHS Programs are doing right, and where poor performing EHS programs are struggling. You'll leave with tactical next steps to ensure your EHS program joins the ranks of the high performers.
