

The Intentional Manager

written by Lauri Moon | April 3, 2020

Attend this complimentary Live Streaming Program aimed at Sales Managers who want to be more effective in leading and growing their teams.

Sales managers experience countless challenges on the job including:

- *How to manage in these times of travel bans and remote access only*
- *Lower than expected team productivity*
- *Hiring salespeople who interview great and perform poorly*
- *“Doing” verses “Developing”*
- *Spending 80% of their time with the 20% of lower performers*

There are so many training options out there, many of them wonderful, *but...*how many address the unique issues of the Sales Manager? This one's for you!
