

# The Pulse of Performance Management 2020 - The Transformation of Finance

written by Lauri Moon | May 18, 2020

What is the impact of the current economic volatility on FP&A groups? What role can performance management play in providing the tools to successfully help companies manage through this period? Are today's conditions accelerating the initiation of Finance Transformation / Modernization projects?

As more companies move forward with performance management, they need to understand their options. Which vendors received the highest ratings from their customers for budgeting, consolidation, reporting, dashboards, and analytics? How do vendors differentiate themselves?

Now in its 17th year, this annual web event will quickly get you and your team up to speed on the latest in budgeting, planning, forecasting, consolidation, reporting, and analytics. This information will enable you to confidently embark on a new performance management project, or identify opportunities to enhance an existing one.

**Note: this is a cross-industry webcast.**

The following information, all new or updated for 2020, will be covered:
