

# Video Selling

written by Lauri Moon | November 20, 2020

Prospecting is hard enough, and COVID sure did not Help! Join us for this free webinar with John Moore of Moore Power Sales to learn how to use new technologies that 94% of salespeople are not using.

If you want more solid appointments with new decision makers, you won't want to miss this webinar!

You will learn:

- How to increase your prospecting email open rate from 18% to 68%
- Act differently to be treated differently!
- Nobody cares about you, so what do you say that makes them want to talk to you?
- Breaking through the clutter to reach prospects and book strong appointments
