

Webinar: How World-Class Lean Enterprises are Connecting Hoshin Strategy to Daily Management

written by Lauri Moon | January 2, 2018

Toyota Industrial Equipment Manufacturing, Goodyear, Ford R&D, Menlo Innovations, Quebec Ministry of Healthcare, and others across industries and function are discovering the power of Toyota's Obeya or "Big Room" approach.

Join us January 10 as Lean Leadership and Obeya expert, Sam MacPherson will share how Toyota and other World-class Lean organizations are using the Obeya to develop, deploy, and manage their Hoshin Strategy from the boardroom to the shop-floor; innovate, collaborate, communicate, problem-solve, develop people, and create a High-Performance Lean Culture of Engagement.

In this Webinar we will explore:

1. How World-class organizations are adopting Toyota's Obeya approach of collaborative visual management to drive Operational Excellence and Competitive Advantage
2. An Overview of how Toyota uses Obeya to connect its Hoshin Kanri (Strategy Management) System to its Daily Management — Top to Bottom
3. How the Toyota "T" and Customer Experience Life-cycle visual management is used to see the flow of information and activities to deliver value with velocity to internal and external customers, alike
4. The Latest Science behind the Obeya approach and why it works
5. How to implement or improve your Obeya Strategy
