

Why Comply?

written by Lauri Moon | November 10, 2017

The US is experiencing trade growth and regulatory changes with regard to international exports, imports, trade agreements, transportation and security. Without a thorough knowledge of the regulations and your responsibilities for compliance, a company can encounter delays, lost opportunities and additional expenses due to compliance issues.

HOW YOU WILL BENEFIT

- Gain an understanding the various areas of compliance
- Learning your companies responsibilities for compliance
- See how compliance can benefit your company
- Hear how to get started on a comprehensive compliance program
- Understand the downside of non-compliance

Don't miss this opportunity to train your staff in the comfort of their own office! Register today! Webinar presented by Bob Imbriani of Team Worldwide.

Who Should Attend

- Import/Export Managers, Supervisors and Coordinators
- Trade Compliance Managers
- International Planners and Purchasing Agents
- Legal/Contract Administrators
- International Traffic and Logistics Managers, Supervisors, and Coordinators
- Senior Administrative, Operational, and Finance Executives
