

IMC and Congressman Marino Visit Videon Central, Inc.

written by Lauri Moon | October 16, 2018

Thanks to Rob Bargo and Videon Central for hosting IMC and Congressman Tom Marino for Manufacturing Day 2018. Videon, located in State College, PA, develops software and designs hardware for AV products worldwide. Through relationships with companies like Intel, Sony, Samsung and Lufthansa Technik, Videon works with a broad range of industries, from aviation and broadcast to sports and consumer electronics. #MFGDay18
