

IMC Needs Your Support

written by Lauri Moon | March 30, 2017

For over 25 years, IMC has been helping Central Pennsylvania manufacturers become more innovative, productive and profitable. We have been able to provide this support, in part, due to our affiliation with the U.S. Department of Commerce, NIST Manufacturing Extension Partnership.

We are asking for your support via an email campaign to Congress requesting continued support for the Manufacturing Extension Partnership (MEP) program, which has been zeroed out in the President's proposed budget.

To participate, click [here](#) to be directed to the email tool and follow these simple instructions:

1. Enter all required contact information and click Submit.
2. Customize paragraphs 1 and 4, where indicated by the brackets, with your company specific information.
3. Once complete, click Submit.
