

Manufacturer Return to Operations & Best Practice Guide Now Available

written by Lauri Moon | May 5, 2020

IMC's *Manufacturer Return to Operations & Best Practice Guide* is now available! Gain insights for restarting your operations safely and efficiently and discover best practices in minimizing COVID-19 risks among your workforce. Thanks to our sister center NEPIRC for putting this guide together and for offering it to IMC and our manufacturers!

Gov. Wolf Provides Business Guidance as Counties Move to Yellow Phase on May 8 – [Click here for Governor's Guide.](#)

For support on implementing either of these guides, contact your IMC Business Advisor or email info@imcpa.com.
