

Manufacturing and the PA Industrial Resource Centers: Drivers of Pennsylvania's Economy Video

written by Lauri Moon | January 13, 2021

Recently, the Pennsylvania Industrial Resource Centers (IRCs) released their 2020 annual report video, which outlines the strides our state's manufacturing industry has made this year in terms of the number of established manufacturing companies, job creation, dollars of goods produced and the number of exported goods - all despite the onset of COVID-19.

With the support of the national Manufacturing Extension Partnership (MEP) Program, the Pennsylvania Department of Community & Economic Development, our clients and our outstanding team members, the Innovative Manufacturers' Center (IMC) has played a key role in moving our regional manufacturers forward. Please [click here](#) to take three minutes to learn more about the size, strength and resiliency of our manufacturing base here in PA!
