

No-Cost Energy Assessments for Small to Midsized Manufacturers

written by Lauri Moon | December 1, 2016

Save Money Through Pollution Prevention and Energy Efficiency Strategies

IMC, in partnership with PennTAP, is providing free energy assessments for manufacturers to reduce pollution, improve energy efficiency and decrease greenhouse gas emissions that will result in reduced operating costs. Technical advisors will perform these pollution prevention and energy efficiency assessments through onsite visits, provide recommendations for improvements in energy utilization and waste reduction, prepare and deliver site assessment reports and provide assistance completing grant applications for follow-up project implementation.

To take advantage of your no-cost energy assessment email info@imcpa.com or call 570-329-3200 to get in touch with your IMC Business Advisor.
