

Open Supplier Scouting Opportunities

written by Lauri Moon | November 17, 2022

As of Nov. 10, these are the open supplier scouting opportunities from manufacturers across the United States seeking domestic suppliers for various items. Additional scouting opportunities are from federal agencies seeking to maximize the purchase and production of goods and services in accordance with Executive Order (EO) 14005. If you are interested in learning more about any of these opportunities, contact IMC Business Advisor, Dana Gordon at danag@imcpa.com or 570-329-3200x8084.
