

PA Soliciting Governors Cup Entries

written by Lauri Moon | November 12, 2015

PA Dept. of Community & Economic Development needs your help to ensure every eligible PA project is included in the Governor's Cup entry. Entries that meet at least one (just one!) of the following criteria: 20 or more new jobs created, \$1M or more in investment (construction cost, land and building), 20,000 sq ft or more in new construction or expansion qualify. Simply send project names and locations to Kara Golden at Red House Communications (kgolden@redhouse.com) no later than Friday December 4. Kara can answer questions via email or by calling 412-481-7275.
