

# Let's Celebrate Central PA Manufacturing

written by Lauri Moon | August 9, 2024

**We are excited to share that we are almost at capacity for this event.**

**Registrations are currently limited to Central PA Manufacturers.**

If you are a Central PA manufacturer, please contact Lauri Moon at 570-329-3200 or [laurim@impa.com](mailto:laurim@impa.com) to register.

**Attn: Central PA Manufacturers!**

Join us as we celebrate the vibrant manufacturing community of Central Pennsylvania and explore the wealth of resources available through regional

economic development partners.

### **Event Details:**

**Date:** November 7, 2024

**Time:** 3:00 – 5:00 p.m.

**Venue:** Axemann Brewery

**Address:** 2042 Axemann Road, Bellefonte, PA

We are thrilled to host this event at a unique and historically significant location – a repurposed metal factory, and now the home of Axemann Brewery. This location stands as a testament to the resilience and innovation of our region’s manufacturing sector. There will be limited opportunities to tour the manufacturing space of this facility so be sure to arrive early!

This celebration will bring together manufacturers, economic development professionals, and community leaders to recognize the contributions of local industries and to share valuable resources that can support your business’s growth and success.

### **Why Attend?**

- **Network:** Connect with key stakeholders in the manufacturing sector.
- **Learn:** Discover new tools and resources offered by economic development partners.
- **Inspire:** Be part of the conversation on the future of manufacturing in our region.

**RSVP:** This event is free, but registration is required by November 4th.

Let’s come together to celebrate our region’s manufacturing heritage and build a brighter future for Central Pennsylvania.

We look forward to seeing you there!

# Support for IMC and the National Manufacturing Extension Partnership (MEP) Program

written by Lauri Moon | August 9, 2024

For almost 30 years, IMC has been helping Central Pennsylvania manufacturers become more innovative, productive and profitable. We have been able to do this, in

part, due to support from the U.S. Department of Commerce, NIST Manufacturing Extension Partnership program.

A recent study by the W.E. Upjohn Institute found that the **MEP Program generates a substantial economic and financial return of nearly 9:1**. Yes, a federal investment that works!

Please take 5 minutes to e-mail your federal elected officials asking them to support a \$142.4 million appropriation for MEP, **which helps support IMC's operations**.

**To e-mail your federal elected officials**

1. Click on this link
2. Click **Send E-mail**.
3. **Complete** the demographic information in the blue box and click **Submit**.  
This will take you to the **Compose Message** page where you will see the text of the e-mail and the names of the officials you will be e-mailing.
4. **Review the letter and customize** as appropriate - paragraphs 1 and 4 REQUIRE customization inside the brackets [ ].
5. Click **Submit** at the bottom of the page
6. Please **consider forwarding this request** to employees or others at your discretion.

Thank you for your support of IMC and Central PA Manufacturers!
