Williamsport, PA JAN. 2019—CromaFlow Inc, www.cromaflow.com a manufacturer of onsite water and wastewater treatment systems for residential and commercial

appliances, announces they have been certified under ISO 9001:2015 as of December 2018. The company earned certification under ISO 9001:2015 and was audited and registered by Perry Johnson Registrars of Troy, MI.

International Organization for Standardization (ISO) 9001:2015 is the most updated standard of its kind and focuses on quality management systems and performance. It assists companies in developing a management system that aligns quality with their wider business strategy. There is a focus on risk-based thinking and accountability in all organizational processes that helps improve communications, efficiency and implementation of continuous improvement.

“We are very excited to earn certification to ISO 9001:2015 and I know that it provides additional assurance to our customers that we are focused on continuous improvement and customer satisfaction,” said CromaFlow Chief Executive Officer Henry R. Holcomb. “Our move to ISO 9001:2015 certification demonstrates our desire to always perform at the highest levels of quality and to deliver innovative, high quality water and wastewater solutions to our customers worldwide.”

For any company, the road to certification requires time and commitment. CromaFlow began their internal preparation for certification with the help of the Innovative Manufacturers’ center (IMC) in Williamsport, PA and with assistance of Core Business Solutions of Lewisburg, PA.

In October and November of 2018, Perry Johnson Registrars, Inc. performed the

mandatory certification audits. They then notified ChromaFlow of their achievement of the ISO 9001:2015 standard in December. The company's corporate headquarters, design center and manufacturing facility is located in Montoursville, PA.
