Manufacturing Your Way to a Pennsylvania Tax Credit

(90-minute, virtual)

This program starts in:

What can you do with Tax Credits?

How about...

- Lower your current Pennsylvania tax burden
- Lessen your future Pennsylvania tax burden
- Sell them for **CASH!**

If you are in manufacturing, the tech field, property development, agriculture, or a

community-based non-profit, you could be leaving money on the table by not taking advantage of tax credits available to you. There's a tax credit for available for nearly all projects!

The tax credits that will be reviewed include:

- Federal and Pennsylvania Research and Development (R&D)
- Pennsylvania Keystone Innovation Zone (KIZ)

Even if you're familiar with these tax credits, you'll want to attend to learn about changes to the application process, new requirements, etc.
