

WEDnetPA COVID-19 Update Related to Training Grants and Eligibility

written by Lauri Moon | April 7, 2020

WEDnetPA and the PA Department of Community and Economic Development (DCED) want to help your company navigate the weeks and months ahead and want to ease concerns regarding the impact of COVID-19 on this year's training grants and next year's program eligibility. To ensure we provide maximum support to all companies currently participating in WEDnetPA, we want to make you aware of the following policies that have been implemented:

- Any trainings that cannot be completed by June 30th can be completed and submitted next year. After June 1st, your company will need to apply for a new FY20-21 grant to submit the training for reimbursement.
- All companies with training grants this year will be able to apply again next year, even if your company is technically ineligible based on funding history.
- If you plan to apply again next year and the WEDnetPA online system indicates you are ineligible, contact your local WEDnetPA Coordinator for assistance.
